

Coronavirus in Numbers

South Milford Surgery

Throughout the COVID-19 Pandemic, the Surgery has remained open and provided additional capacity to our patients through new digital consulting solutions.

We also opened over the Bank Holiday weekends.

We are now starting to reflect on the last 6 months and wanted to share some of the data from our patients.

Data was gathered between March 1st –31st August 2020 for **10,103** patients registered with South Milford Surgery.
